

The architectural floor plan of the 'Korona' housing estate is divided into four distinct sectors, each with a unique color and pattern. Sector A (orange) is located at the bottom left, Sector B (blue) at the bottom right, Sector C (yellow) at the top right, and Sector D (green) at the top left. Each sector contains a series of residential units with detailed room layouts, including bedrooms, living areas, and bathrooms. The plan also shows common areas, corridors, and a scale bar at the bottom.
